SKILLS

TECHNICAL

- Illustrator
- InDesign
- Photoshop
- Xd/Figma
- MS Suite

SOFT SKILLS

- Leadership
- Multitasking
- Brainstorming
- Growth Mindset
- Event Planning

CLUBS

2023-2025

ASSOCIATION OF VISUAL ARTIST

- As president, I have lead the club through redesigns, fundraising, trips, and day to day operations.

2021-2023

AIGA PENN COLLEGE STUDENT CLUB

- During my time in this club I held the positions of Communications Director, Programming Director, and Co-Vice President.

EDUCATION

2021-2025

PENNSYLVANIA COLLEGE OF TECHNOLOGY

Bachelors of Science in Graphic Design

Minor in Photography

- Here I have developed my skill for graphic design, which includes but not limited to, Typography, Web Design, Branding, and Package Design. I also have highly technical skills in photography.

CLIENT & AGENCY WORK

September - December 2025

NFM DESIGN INTERNSHIP

- In the fall of 2025 I have been participating in a design internship for the NFM marketing agency. This has taught me valuable skills working for an agency in a remote setting. This allowed me to develop skills in time management, client work, and to be autonomous while still being a team member.

Fall 2023 & Summer 2025

FREELANCE DESIGNER

- In fall of 2023, I redesigned the Millionaires Row brochure. This polished my skills in layout design and project management. In June of 2025, I was contracted as NFM press photographer. I shot the installation of a new 7 Brew location for a press release highlighting the brand's expansion into Pennsylvania.

EMPLOYMENT

2023 - Present

TJMAXX

Team Member

- In this position I worked in a fast paced environment that required great customer service. I worked as a cashier, fitting room attendant, and in the backroom.

2021 - 2025

PENNSYLVANIA COLLEGE OF TECHNOLOGY

Workstudy: Lab Monitor

- As Lab Monitor I oversaw the classrooms in the Graphic Design department during the evenings of the school year along with designing signage for the schedule of the work study.

2019 - 2023

HOT TOPIC

Sales Associate - Assistant Manager Level II

- In this position I worked as a sales associate and Assistant Manager Level II. In that position I gained experience in leadership and opening and closing operations of the store.
